Smart Bird Feeder Camera

1. High-definition camera, automatically capturing wonderful moments.
2. Automatically identify various kinds of birds.
3. Recording function, leaving precious memories.
4. 4G / WIFI connection, checking at any time.
5. High-quality materials, ensuring the health of the birds.
6. Clear scale, understanding the situation of the food.
7. Waterproof design, available in various environments.
8. Easy to clean, keeping hygienic.

Image Sensor	1/2.7"Image Sensor
Resolution	2MP /3MP /4MP
Lens	2.5mm
Lens Angle	140°
Night Vision	IR Night Vision
AI	AI Bird Recognition
Compression	H.264/H.265
Audio Recording	AAC
Data Storage Approach	Cloud Storage, Local Micro SD(Max128G)
Internet Connection	2.4G Wi-Fi / 4G
Battery Capacity	3.7V 7800mAh
IP Rating	IP65
Operating Temperature/ Humidity Range	-10° ~ 45°C / 0% ~ 80%
Installation	Wall Mounting
Bird Food Capacity	2.5L

4G⁺ WIFI
